

Take Part in Your Future...

"Join me on the next step as we move toward a more sustainable future. Working together, we will succeed."

Mayor Mary Verner

City of Spokane's Sustainability Symposium July 31st—August 1st

How important are energy security and climate change to you?

How should city government provide services in the future?

Join Mayor Verner, the mayor's Sustainability Task Force and work group members, City Council members, local experts, and the citizens of Spokane on a journey toward sustainability.

- Learn about local impacts of rising energy prices and climate change.
- Discuss local government's role in addressing these trends.
- Hear initial reports from the work groups.
- Share recommendations for the Task Force to include in the City of Spokane's sustainability strategic action plan.

Full agenda will be available at www.GreenSpokane.org

All events are FREE and open to the public.

Mayor's Sustainability Office
City Hall, 3rd Floor
